MOTION FOR EXTENSION OF TIME AND
REQUEST FOR DOCUMENTS

Water Service Corporation of Kentucky (WSCK), by counsel, moves for additional time to file its response to the order of March 20, 2007. On Friday March 30, 2007, counsel for WSCK contacted the Commission's attorney to request a copy of the "cancelled tariff" referenced on page 3 of the March 20 order. Since that time, counsel for the parties have had several discussions about the tariff, but have been unable to locate it. Because the order relies on that tariff as a basis for the finding that WSCK has violated KRS 278.160, it is an important issue in the case.

For WSCK to adequately and completely respond to the order, it is necessary to see what is in that tariff and to determine what impact it may have on the allegations against it. Consequently, WSCK requests a copy of the tariff and requests that the time to respond to the order be extended to ten days subsequent to the delivery of the referenced tariff to it.
