REQUEST FOR INTERIM RELIEF )

O R D E R

On April 9, 2007, Michael Stafford moved for full intervention and for a postponement of the hearing on Appalachian Waste Control, Inc.'s motion for interim rate relief. Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Mr. Stafford's intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings and that he should be permitted to intervene in this matter. The Commission further finds that Mr. Stafford's motion to postpone the hearing should be denied.

IT IS HEREBY ORDERED that:

1. Mr. Stafford's motion to intervene is granted.
2. Mr. Stafford shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should Mr. Stafford file documents of any kind with the Commission in the course of these proceedings, Mr. Stafford shall also serve a copy of said documents on all other parties of record.

4. Mr. Stafford's motion to postpone the hearing on Appalachian Waste Control, Inc.'s motion for interim rate relief is denied.
