RE: PSC Case 2007-00124

Dear Ms. Ferguson:

I would like to take this opportunity to follow-up on the NTELOS letter sent to you on May 21, 2007 concerning the proposed Cell Tower in Lawhorn Hollow Kentucky. NTELOS does value your concerns and we hope we addressed all your concerns with our May 21st letter. If you have any further questions, concerns or issues that NTELOS could answer and/or work to resolve, please feel free to call me at (304) 353-8917. If you do not reach me at this number, please leave a message and I will return your call as soon as I am back in the office.

However, if NTELOS has adequately addressed your concerns and you no longer have any objections, then a hearing is no longer required. If this is the case, please sign the statement below and send this letter to the Public Service Commission of Kentucky. I have enclosed a postage paid envelope for your convenience in returning this letter to the Public Service Commission

I am enclosing a copy of this letter for you to keep for your records as well.

Sincerely,

Chris Harris
WV Site Development Manger

I have no concerns or issues with the proposed Cell Tower in Lawhorn Hollow and wish to withdraw my request for a hearing.
