On March 26, 2007, Big Rivers Electric Corporation ("Big Rivers") filed notice of its intent to implement a new renewable resource energy tariff rider under which Big Rivers will make renewable resource energy available to its three member cooperatives: Jackson Purchase Energy Corporation, Kenergy Corp., and Meade County Rural Electric Cooperative Corporation (collectively, the "Member Cooperatives"). The Member Cooperatives joined in the application seeking the necessary additions to their tariffs to make renewable resource energy available to their retail members.

The Commission finds, based on our initial review of the proposed plan, that additional inquiry into Big Rivers' proposal is necessary.

The person signing the response shall acknowledge that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. A party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

3. At any hearing in this matter, neither opening statements nor summarization of direct testimony shall be permitted.

4. The Commission does not favor motions for continuance or extensions of time and will grant them only when such a motion is made in writing and states compelling reasons for granting the motion.
