Aaron,

We would like the opportunity to file comments in the case, but I don't see a need for an IC either. Thanks.

The memo for the April 25, 2007, stated "If necessary an Informal Conference will be on July 23, 2007. Otherwise the parties will have ten days to request a hearing or file comments and the case will stand submitted to the Commission."

The commission Staff sees no need for an IC nor for a hearing. Does the AG need anything else or can we consider the case submitted? Perhaps the AG would at least like the opportunity to file comments and Delta reply comments.

Just let me know your preferences. Thanks.

Aaron,

From my notes on the above case, it appears that we are to have an informal conference to discuss the report submitted by the company on July 23, 2007.

I don't have a time noted for that meeting and would like to see if this meeting is still to be held and at what time. If possible, I would prefer the afternoon since I will be out of the office that morning.

Aaron:

Delta has no need for an informal conference on July 23 in Case 2007-00154. We need to use that time to work on the data responses in Case 2007-00089, but will be pleased to participate in such an IC if deemed necessary.

Best wishes to all.

Glenn Jennings
