RE: Proposed Tariff Revision by North Central Telephone Co.,

To whom it may concern:

I am a customer of North Central and like my service from them however I believe a 25.2% increase on the subscriber rate is unreasonable and the grants are unnecessary. I don't want punishment from North Central because I am opposed, but I am a coop member of this community and I have a right to voice my strong opposition to this increase.

Thank You,
Stephen Bratker
