DEVELOPMENT GROUP, LLC'S  
RESPONSE TO CARROLL DISTRICT'S MOTION TO SHOW CAUSE**

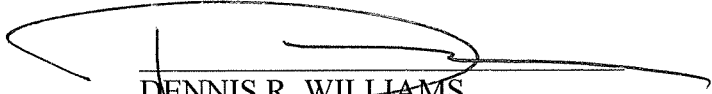

---

Comes now Intervening Complainant Whitehorse Development Group, LLC and for its response to Carroll District's Motion to Show Cause , by and through counsel, states as follows:

That Intervening Complainant Whitehorse Development Group, LLC has been developing its commercial site for over eighteen months. That it has been assured that sufficient water service would be available to its site. That its site requires service from an 8 inch line, and that upon information and belief, only the Gallatin County Water District can provide immediate access to water to meet the development's needs. That based upon that information and belief, it has moved forward with development of its site, including the installation of a water line to

near the Gallatin County Water District's line, through the use of an independent contractor, with the anticipation that it will be able to connect to same.

Respectfully submitted,
