CERTIFICATE OF SERVICE

RE: Case No. 2007-00221  
Bright's Propane Service Company

I, Beth O'Donnell, Executive Director of the Public Service Commission, hereby certify that the enclosed attested copy of the Commission's Order in the above case was served upon the addressee by U.S. Mail on July 26, 2007.

Executive Director

BOD/tw  
Enclosure

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF GAS COST	)	
ADJUSTMENT FILING OF	)	CASE NO. 2007-00221
BRIGHT'S PROPANE SERVICE, INC.	)	

O R D E R

On February 15, 1991, in Case No. 1990-00091,<sup>1</sup> the Commission approved rates for Bright's Propane Service, Inc. ("Bright's") and provided for their further adjustment on a quarterly basis in accordance with Bright's gas cost adjustment ("GCA") clause.

On June 7, 2007, Bright's filed its proposed GCA to be effective August 1, 2007.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Bright's notice includes revised rates designed to pass on to its customers its expected change in wholesale propane costs.

2. Bright's notice sets out an average gas cost component ("AGC") of 2.784 cents per cubic foot. Bright's used an incorrect beginning inventory for February 2007. Correcting for this produces an AGC of 3.039 cents per cubic foot, which is an increase of .094 cent per cubic foot from the previous AGC of 2.945.

3. Bright's notice sets out a current quarter actual adjustment ("AA") of .1246 cent per cubic foot. Bright's used an incorrect expected gas cost in its calculation. Correcting for this produces a current quarter AA of .0174 cent per cubic foot. Bright's total AA is (.1030) cent per cubic foot, which is an increase of .12342 cent per cubic foot from the previous total AA.

---

<sup>1</sup> Case No. 1990-00091, Jurisdictional Status of Bright's Propane Service, Inc.'s Propane Distribution System, Order dated February 15, 1991.

4. Bright's notice sets out no balancing adjustment.
5. Bright's notice sets out 1.5 cents per cubic foot to recover overhead operating costs as approved in its tariff.
6. Bright's gas cost adjustment ("GCA") is 4.43591 cents per cubic foot, which is an increase of .21742 cent per cubic foot from the previous rate of 4.21849.
7. The rates in the Appendix to this Order are fair, just, and reasonable, and should be approved for final meter readings by Bright's on and after August 1, 2007.

IT IS THEREFORE ORDERED that:

1. Bright's proposed rates are denied.
2. The rates in the Appendix, attached hereto and incorporated herein, are approved for final meter readings on and after August 1, 2007.
3. Within 20 days of the date of this Order, Bright's shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 26 day of July, 2007.

By the Commission

ATTEST

  
Executive Director

Case No. 2007-00221

## APPENDIX

### APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE COMMISSION IN CASE NO. 2007-00221 DATED July 26, 2007.

The following rates and charges are prescribed for the customers in the area served by Bright's Propane Service, Inc. All other rates and charges not specifically mentioned herein shall remain the same as those in effect under authority of the Commission prior to the effective date of this Order.

#### RATES: Monthly

All Propane	\$ .0443591 per cubic foot
Minimum Bill (First 400 Cubic feet or less)	\$ 17.74
