Case No. 2007-00267

Dear Ms. Sturgeon:

The Commission has received your petition filed June 29, 2007, to protect as confidential information contained in the Quarterly Gas Supply Clause filing. A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth O'Donnell", written over a large, stylized circular flourish.
