Re: Recalculation of Wholesale Water Service Rate

Dear Ms. O'Donnell:

Pursuant to the terms of an Interlocal Agreement with Rowan Water, Inc. and Bath County Water District, which is on file with the Public Service Commission, Morehead Utility Plant Board (MUPB) has recalculated its wholesale water service rate. This recalculation follows the detailed formula set forth in the Interlocal Agreement. Effective January 1, 2008, MUPB will charge the recalculated rate for wholesale water service provided to Rowan Water, Inc. and Bath County Water District.

Enclosed are a revised tariff sheet that reflects the recalculated rate, the report of rate recalculation that MUPB's certified public accountant prepared, and the written notices of the recalculation to Rowan Water, Inc. and Bath County Water District.

MUPB provides this notice to conform with the Commission's suggestion in Case No. 2007-00299 that, while KRS 278.180(1) does not require any notice of the rate recalculation, "the better practice is . . . to also file revised tariff sheets with the Commission prior to placing the results of the recalculation into effect."

Sincerely,

R. Mike Nickell
