RE: CASE NO. ~~2006-00028~~ 2007-331

MS. O'DONNELL

Due to the inability or the refusal to keep terms and conditions of the Stipulation and Agreement on case no. 2006-00028 that was agreed to by all parties, we are request that the agreement be declared null and void.

1. Farmdale has not obtained the loan with the required 90 days. They have a note signed on June 15 but well aware that the Commission had to approve the loan did not submit until July 25. Two weeks after the required date! This is a plain flagrant violation of the agreement. (page 4 item b)

2. Farmdale continues to ignore the requirement that they report the progress by the last working day of each month. (page 4 item d)

In accordance with item f on page 4, we ask that the surcharge be suspended and the funds collected be returned with interest.

It is very plain , that if during the first four months of this agreement

Farmdale refuses to comply, that they have no intentions of complying for 5 years. We agreed with the settlement in good faith but their actions prove that is not what they had in mind.
