MOTION FOR EXTENSION OF TIME

Joint Applicants in this case respectfully request an extension of time to and including October 5, 2007 to file their responses to the Commission's Staff's September 14, 2007 First Data Request. In support of this motion, Joint Applicants state that most of the information sought is in the custody of the Tri-Village Water District which operates with extremely limited resources. Accordingly, the process of locating and gathering the requested information has taken more time than allotted by the deadline imposed in the Commission's Staff's First Data Request. Therefore, Joint Applicants request an additional seven days to submit their responses.

Respectfully submitted,
