Re: South Kentucky Rural Electric Cooperative Corporation
Case No. 2007-00374
Motion for Confidential Treatment

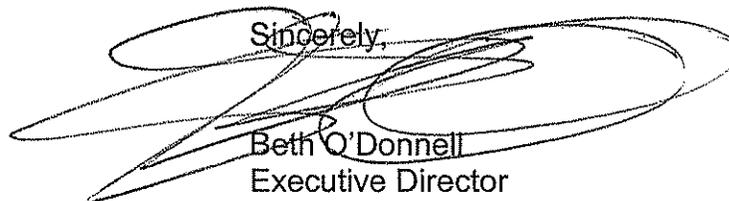

Dear Mr. Saunders:

The Commission has received the motion filed August 20, 2007, on behalf of Kentucky Rural RECC to protect as confidential its Application for Approval to Purchase the Fixed Assets of Monticello Electric Plant Board and all exhibits submitted therewith. A review of the information has determined that Exhibits B, C, O, P and Q are entitled to the protection requested on the grounds relied upon in the motion, and they will be withheld from public inspection. However, the other Exhibits do not meet the criteria for confidentiality and confidential protection is denied.

The information denied confidentiality shall be withheld from public inspection for 20 days from the date of this letter to allow you to seek any further remedy available to you.

If the information granted confidentiality becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Beth O'Donnell
Executive Director
