The Commission further finds that each of the aforementioned distribution cooperatives should respond to the information request attached hereto as Appendix A.

IT IS THEREFORE ORDERED that:

1. The sixteen distribution cooperatives identified in the findings above are made parties to this case and they shall individually or jointly file responses to the information request set forth in Appendix A attached hereto.

2. a. The information requested herein shall be filed within 20 days of the date of this Order.

d. Any party shall make timely amendment to any prior responses if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

e. For any requests to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

3. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
