MOTION FOR CONTINUANCE

B.T.U. Gas Company, Inc. moves the Commission for a continuance of the hearing scheduled for January 27, 2010 at 10:00 a.m. B.T.U. Gas has not had sufficient time to prepare for this hearing and prepare written responses to the Utility Inspections Reports. B.T.U. Gas has hired a consultant to prepare the necessary manuals and to provide the training and certification of proficiency in skills for the three employees of B.T.U. Gas. However, this work will not be completed in time to prepare the testimony for a hearing scheduled for January 27, 2010.

Additionally, B.T.U. has requested an informal conference and B.T.U. Gas believes if the informal conference is held before the hearing there is a likelihood all contested issues will be resolved.

Therefore, B.T.U. Gas respectfully requests a continuance of the hearing scheduled for January 27, 2010 at 10:00 a.m.
