Dear Ky. Public Service Commission,

Re: Case No. 2007-00410

I would like to object to
LG+E changing the bill due
date from 15 days to 10 days
from the date the bill is issued.

For most customers this is a
huge expense + really should be
due 30 days from the date the
bill is issued.

To make this change to 10 days
will make an even greater hardship
on customers than it already is.
