RE: Case No. 2007-00413

On September 19, 2007 Adair County Water District submitted an Amended Petition to the Public Service Commission requesting a Certificate of Public Convenience and Necessity. Subsequently, Adair County Water District has notified the Commission, by letter dated November 6, 2007, that it desires to withdraw the Petition.

Since the original filing was deemed deficient and not officially filed the application is therefore returned to Adair County Water District and this case is closed and removed from the Commission's docket, without prejudice to a future application.

Sincerely,

Michael F. Burford  
Director  
Division of Filings
