This letter is to inform you that I, Joe Ray of  
113 STABLE LN. am requesting a motion to intervene the proposed rate  
change for the Farmdale Sewage Treatment Plant. Case #2007-00331.

I do understand that a rate increase is inevitable with the rising costs of operating  
expenses. I do feel that the 2006 rate increase and surcharge should have been more than  
sufficient. Furthermore, I do not feel that the residents of Farmdale should pay for the  
interest cost incurred.

As a resident of the Farmdale community, I feel that further explanation is due.

Sincerely,
