PUBLIC SERVICE  
COMMISSION

To Whom it may concern,

On reference to docket number 2007-00452 We would like to say that we do not agree to another cell phone tower being put up behind our house.

There is already one tower behind our house and we feel that is enough and that they are not good for our health or the health of our children or our neighbors. We did not intervene to the last one being put up, but a second tower is too much. We feel like you could find somewhere else to put your tower because we will be less than 500' away from it.

Thank you for your time,  
Shawn & Chelsea Goad
