Re: Big Rivers Electric Unwind Hearing Date  
Case No. 2007-00455

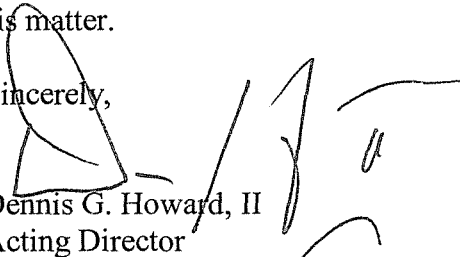

Dear Ms. Stumbo:

We have received the Commission Order cancelling the hearing date set for April 28, 2008, in the above referenced matter. Although we have not received an Order rescheduling this hearing, our office wishes to inform the Commission that we will have key personnel assigned to the case out on vacation during the following dates: May 24-31 and June 5-17. Given our reduced numbers, we would respectfully request that any dates rescheduled for the hearing attempt to exclude those dates as our office would not be able to adequately cover the matter during those periods.

This letter is not meant to delay or otherwise prejudice any of the parties. Rather, with the current state of affairs with our budget, I am attempting to maximize resources while maintaining morale. Vacations, of course, are essential for my staff's productivity.

I thank you in advance for your attention to this matter.

Sincerely,

  
Dennis G. Howard, II  
Acting Director  
Office of Rate Intervention
