Re: E.ON U.S., LLC; Western Kentucky Energy Corp. and LG&E Energy Marketing, Inc.'s
Petition for Confidentiality, PSC Case No. 2007-00455

Sirs/Madams:

The Public Service Commission has received E.ON Entities' Petition for confidential treatment requesting to protect as confidential certain information in its Response to Items 83, 100 and 101 of the Attorney General's initial Request for Information dated February 1, 2008. This information is identified in the Petition as consisting of the amount paid to the Smelters in consideration for consent to transactions; E.ON/LEM's view of operating budgets, costs and revenues; and E.ON Entities' capital budget, respectively.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information contained in Responses to Item Nos. 83, 100 or 101 becomes publicly available or no longer warrants confidential treatment, E.ON Entities are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
