Cupid came early for a group of youngsters in Grayson County and brought lots of candy.

The Grayson County Public Library hosted their annual Valentine's Day party on February 6.

Youth Services Librarian Laura Lindsey is in charge of events at the facility.

The services are free of charge to the public, and there is always something happening each month for the participants.

Some of the programs offered at the library are story time, classic tales, great artists, and storybook art.

Parents interested in enrolling children in one of the programs need to come by the library and fill out proper paperwork first.

For any other question Lindsey can be reached by phone at (270) 259-5455 or by email at lindsey@graysoncountylibrary.org.

To the Honorable Mary Pate Mayor and the Board of City Commissioners of the City of Beaver Dam, Kentucky

Independent Auditor's Report

I have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Beaver Dam, Kentucky, as of and for the year ended June 30, 2007, which collectively comprise the City's basic financial statements as listed in the table of contents. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that I plan and perform my audit to be confident that I will detect material misstatements if they exist.
