

CASE # 2007-00493 -

Jan. 16, 2008 RECEIVED

JAN 17 2008

Dear Ms. O'Donnell:

PUBLIC SERVICE  
COMMISSION

My name is Johnny Ellis. I reside with my wife Brenda at 5575 Hwy 30 West Jackson, Ky. (Breathitt Co.)

I have attempted to obtain water for the past 4 years. I have been denied by the water board month after month, heard excuse after excuse. I would like to object to the re-appointment of the 3 members from the current board. It is my understanding that their names have been submitted for the new board. They have caused unnecessary hardships on my family because of their refusal. It is my fear that this will continue if they are allowed to remain on the new board.

Please if possible contact me ASAP regarding this matter. I have enclosed a few documents that will support my claims. We are in desperate need of water. Thanks you so much for your time.

Sincerely,

Johnny Ellis
