We are replying to the letter
Case Number 2007-00501 about a
tower that you want to put at
260 Walnut Hill Road, Casey County
Liberty, Ky. 42539.

I do not want the tower
put that close to my home, because
I think it is not healthy to
have a tower that close and
I also think it would decrease
the value of my home, because
nobody wants to live that
close to a tower. There are places in
the country that is not close to people and houses.
Where you could put the tower.
