PUBLIC SERVICE
COMMISSIONLiberty Ky.
Aug. 20. - 2008

Dear Sir:

In regard to the letter I received on Aug. 20th 2008, Case No. 2007-00501. I still object to the tower being located at 269 Walnut Hill Rd. Liberty, Ky. 42539.

In your letter you said that we hadn't notified you that we were coming to the hearing. The reason we are not coming to the hearing is because it would be a waste of our time. Because we can not afford to have the attorney or the resource it would take to represent us.

I don't want the tower at this location, because it is in front of my house and it is where every time I look out my front door I will be looking at it. And I don't believe it is healthy to have it that close to my family. and if I ever did want to sell my house. Who would want to buy it with a tower that close to it.

If it wasn't dangerous and didn't lower the value of my property it wouldn't

Have to be in a unzoned area.
Because if it were in a zoned
jurisdiction of a planning Commission
then nobody would want to buy the
land around it.

In the letter I received before
this one, you said I hadn't told you
the exact locations that the towers
could be put, besides at this location
where you want to put it. It could
be put about $\frac{1}{2}$ of a mile back behind
where they want to put it, but they
don't want to build a road that far.

Commissioner I don't know how
to keep this tower from being put
at 269 Walnut Hill Road, Liberty, Ky.
42539. But I would like for you
to please think about if it were
going to be that close to your home,
would you want it there.

Sincerely,
Marica Jo Wilson
