Re: Confidentiality Request, PSC Case Nos. 2007-00564 and 2007-00565

Dear Sir/Madam;

The Public Service Commission has received Louisville Gas & Electric Company's and Kentucky Utility's Joint Petition filed March 28, 2008 requesting to protect as confidential, certain information contained in their Response to Attorney General's Initial Request for Information Nos. 6 and 7. This information is described as pertaining to (1) the request for proposals for depreciation study; (2) responses to depreciation study; (3) internal evaluations and comparisons of the RFP responses; (4) contracts for depreciation study; (5) prospective capital expenditure budgets; and (6) an award recommendation for a customer satisfaction survey.

A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the Joint Petition, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

  
Stephanie Stumbo,  
Executive Director
