Dear Ms. O'Donnell:

This is our formal application to add tariff language to accept credit/debit card payments from our water district customers. Attached is the proposed tariff sheet which includes the policy and cost formula for the service.

The customers affected by these charges would only be those that utilize the credit/debit card payment option. Oldham County Water District will publish the enclosed public notice for the requested rate in the local newspaper for three consecutive weeks, and will follow up with an affidavit from the newspaper verifying the publication of the notice.

Should you have any questions or need additional information, please contact me directly.

Sincerely,

**SPECIAL NON RECURRING CHARGE**

**Credit/Debit Card Policy**

Payments using Credit or Debit card. All customers may pay their bill by credit or debit card. This method of payment may be made in person at the Oldham County Water District office or by telephone. If on the bill due date an attempt to pay by credit card or debit card is made and the card is declined for any reason, payment is still due in full on that date and will be considered late after that date. All late charges and penalties will be applied. If a customer is paying on our disconnect day and the card is denied, the same rules as above apply with the addition that his/her service may be disconnected.

When a customer makes a payment by credit or debit card, the utility will assess a fee equal to that charged to the utility by the credit or debit card processing company to process the transaction. This fee is generally calculated using a formula applied to the balance of the amount charge to the credit or debit card account but may be a flat fee per transaction. Prior to processing the transaction, the customer will be informed of the fee amount and, upon request by the customer, the formula employed to arrive at this fee amount.
