A Touchstone Energy Cooperative

January 14, 2008

Mr. Mr. Joseph S. Badin Director, Northern Regional Division Rural Utilities Service US Department of Agriculture 1400 Independence Avenue, SW Washington, DC 20250-1566

Dear Mr. Badin:

National Rural Utilities Cooperative Finance Corporation ("CFC") has approved a request from Nolin Rural Electric Cooperative Corporation ("Nolin RECC") to provide a 15-year, \$40,000,000 term loan to finance Energy Conservation Opportunities ("ECOs") at Fort Knox, a Department of Defense installation within Bullitt, Hardin, and Meade Counties, Kentucky (the "Installation") under terms of the Demand Side Management and Energy Efficiency Services Modification Agreements (the "Contract") by and between Nolin RECC and the United States of America, represented by the Contracting Officer of Fort Knox. There is no transfer of Installation assets associated with this Contract.

In order to provide Nolin RECC with this loan, CFC hereby joins in Nolin RECC's request of RUS to approve and to enter into an Intercreditor Agreement with CFC that generally provides for certain payment priorities with respect to the CFC military base loan in the event of an exercise of remedies upon an Event of Default (as such term is defined in the Mortgage). It is our understanding that RUS and CFC have previously agreed on the form of such Intercreditor Agreement. A copy of a prior Intercreditor Agreement executed between RUS and CFC for the CFC loan designation of KY051-A-9030 is attached to this letter as a sample of the form that we understand was agreed.

The CFC funds will be advanced after Nolin RECC has complied with the conditions set forth in the CFC Loan Agreement, including obtaining for CFC's execution an Intercreditor Agreement executed by RUS, the submission of a requisition for funds and the subsequent approval of such requisition by CFC.

CFC LETTER KY051-A-9031 (LUONGOA) 118123-1 Exhibit "5"

Please inform us of RUS' decision to execute the Intercreditor Agreement as outlined above. If the request is approved, we will wait to receive the RUS-executed Intercreditor Agreement from your office. Your assistance in processing this request is appreciated.

Sincerely,

Amy S. Luongo

Associate Vice President
