RE: Case No 2008-00055
Filing Deficiencies

The Commission staff has reviewed your application in the above case. This filing is rejected for the reasons set forth below.

1. Filing deficiencies pursuant to 807 KAR 5:001:

807 KAR 5:001: Section 8(3) If applicant is a corporation, a certified copy of its Articles of Incorporation and all amendments thereto, if any, shall be annexed to the application. If applicant's Articles of Incorporation and amendments thereto, if any, have already been filed with the Commission in some prior proceeding, it will be sufficient if this fact is stated in the application and reference is made to the style and case number of the prior proceeding.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may refile your proposed tariff with a new proposed effective date that is at least 30 days from the date you file the required information. You are requested to file 1 copies of this information within 15 days of date of this letter. If you need further assistance, please contact Eric Bowman at 502/564-3940 ext. 440.

Sincerely,

A handwritten signature in black ink that reads "Mike Burford".
