Re: Kenergy Corp.  
Case No. 2008-00164

Dear Ms. Stumbo:

As discussed by phone with Staff Attorney Quang Nguyen, I did not receive your August 8, 2008, letter in this matter which included as an attachment Mr. Nugyen's memorandum summarizing the informal conference. I learned of the letter from Kenergy's President and CEO Sandy Novick who has faxed a copy to me. In my conversation with Mr. Nugyen he approved comments to the memorandum on behalf of Kenergy being made later than five (5) days after receipt of the letter.

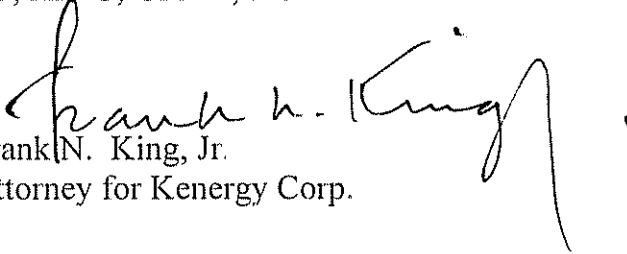

During discussion at the informal conference guy wires were specifically mentioned. However, Kenergy did not intend to leave the impression that suggested remedial safety measures would focus on any particular equipment such as guy wires. Instead, Kenergy plans to propose measures for documenting and analyzing reasons for replacement of all equipment.

You are requested to place this letter of record in this case. Your assistance is appreciated.

Very truly yours,

DORSEY, KING, GRAY, NORMENT & HOPGOOD
