INTERSTATE GAS SUPPLY, INC.'S MOTION TO INTERVENE

Comes Interstate Gas Supply, Inc. ("IGS") pursuant to 807 KAR 5:001 Section 3(8), by counsel, and moves for full intervenor status in this action to the fullest extent permitted by law, on behalf of itself and those consumers that it serves through the Small Volume Gas Transportation Service ("Choice Program"). In support of this Motion, IGS states as follows:

On or about May 30, 2008, Columbia Gas of Kentucky, Inc. ("Columbia") filed an application to extend the Choice Program. IGS is a supplier in the Choice Program and supplies tens of thousands of natural gas customers at the residential and small commercial customer level through the Choice Program. IGS is supportive of Columbia's Application and IGS has filed a separate Memorandum in Support of Columbia's Application.

The Choice Program allows Columbia Gas Inc. ("Columbia") customers to decide who delivers natural gas for their home or business. IGS is the largest competitive supplier in the Choice Program. IGS currently supplies natural gas to over 26,000 Columbia customers.

The application proposed by Columbia involves continuation of the Choice Program and, as such, will directly impact IGS, current Choice Program customers, and future Choice Program customers. Accordingly, IGS and its customers have a substantial interest in these proceedings. The Commission should grant IGS Motion for full intervention status so IGS can evaluate all submissions made by Columbia (and others) to represent the interests of IGS and its current and potential consumers.

Wherefore, IGS respectfully requests that it be permitted to intervene in the abovereferenced matter.

Respectfully submitted,

HURT, CROSBIE & MAY PLLC
