I have previously contacted the Governor's Office of Constituent Services. My experience was (please explain): _____

Please leave your comments or concerns below.

Please note paper about the Kentucky Utilities rate increase. The last time, about five years ago, they doubted my bill. Note, they claim only a small rise but they will get more. This is done so easy, why! It is my understanding that new tech allows company to make kWh with 20% less coal. Please tell KY U. a flat "NO"!
