PUBLIC SERVICE
COMMISSION

The purpose of this writing is to file notice of intervention against the rate increase proposed by Kentucky Utilities filed July 29, 2008 .

M reasons for asking for intervention are as follows:

- 1- The 4.27% residential rate increase is unfair in that is substantially more than all but one of the other customer classes.
- 2- The 5% late charge places an unfair burden on persons on fixed incomes who are paid on certain days of the month.

For the above reasons I ask that no increase in rates for KU be granted until public hearings are held in a proper manner prescribed by the commission.
