ATTORNEY GENERAL'S MOTION FOR EXTENSION OF TIME TO FILE
TESTIMONY

Comes now the intervenor, the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention, and moves the Commission for an extension of time of two days to file his testimony in this matter. As grounds for this request, the Attorney General states as follows.

One of the Attorney General's expert's secretary unexpectedly experienced the loss of her father last week. As a consequence, she has been unavailable to assist him in the preparation of his testimony. This has been further compounded with the same expert whose main research assistant was called up for active military duty with minimal advance notice. Aside from the expert's already formidable schedule, these events have created insurmountable scheduling difficulties. Additionally, on October 24, 2008, the Companies filed Supplemental Responses to a number of questions. These were received by the Attorney General's Office on October 27, 2008. These supplemental responses necessitate a review and update of the testimony by his experts as the responses contained revisions and updates to the financial data previously provided by the Companies.

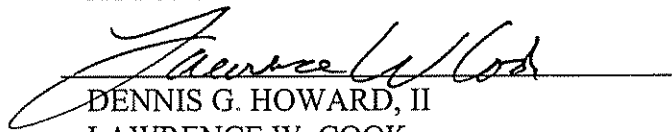

As a consequence of these developments, his office will not be able to complete testimony until October 30th, two days past the currently scheduled deadline. Thus, the

Attorney General respectfully requests a two day extension of time in which to file his testimony.

Given the fact that the hearing in this matter has been moved back approximately one month, the parties will not experience any prejudice with the extension. Moreover, the Attorney General will provide electronic copies of such testimonies as soon as they have been updated with the financial information but no later than October 30th. Hence, the parties and the Commission will be able to commence their review of the Attorney General's position in this matter. Counsel for Kentucky Utilities Company has stated that the company has no objection to the Attorney General's request for the extension.

WHEREFORE, the Attorney General respectfully requests the Commission grant him a two day extension up to and including October 30th to file his testimony.

Respectfully submitted,
JACK CONWAY
ATTORNEY GENERAL
