COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF THE ELECTRIC)	
AND GAS RATES, TERMS AND)	CASE NO. 2008-00252
CONDITIONS OF LOUISVILLE GAS)	
AND ELECTRIC COMPANY)	

MOTION TO ACCEPT RATE APPLICATION AS OF AUGUST 7, 2008

Louisville Gas and Electric Company (“LG&E”), by counsel, hereby moves the Kentucky Public Service Commission (“Commission”) to accept its Application to change gas and electric rates. In support of this petition, LG&E states as follows:

1. On July 29, 2008, LG&E filed its Application with the Commission for approval of an adjustment of its existing rates, terms, and conditions for gas and electric services. Prior to filing its Application, and in full compliance with all applicable notice regulations, on July 16, 2008, LG&E delivered to the Kentucky Press Association a notice of the filing of its application for publication in newspapers in LG&E’s service areas, once a week for three consecutive weeks.¹

2. In addition to causing notice of the filing of its Application in this case to be published in newspapers of general circulation in its service areas, on July 29, 2008, LG&E posted the notice for public inspection at its main business office.² LG&E also prominently posted its notice and the proposed tariffs on its website for public review.³

3. LG&E’s notice efforts notwithstanding, on August 6, 2008, the Commission notified LG&E by letter that LG&E’s notice to the public was deficient as follows:

¹ See Application for Authority of Adjust Rates, Tab 9, Certificate of Notice.

² See Application for Authority of Adjust Rates, Tab 9, Certificate of Notice.

³ The link is prominently displayed on the E.ON U.S. website, <http://www.eon-us.com/home.asp>, which takes customers to a site linking to the notices and proposed tariffs: http://www.eon-us.com/investing_future.asp. LG&E customers may also view the proposed tariffs here: http://www.eon-us.com/rsc/lge/rates_tariffs.asp.

The customer notice included in the application does not include the present and proposed rates for customer deposits which are proposed to be increased in accordance with proposed Electric Tariff No. 7, Sheet Nos. 102 and 102.1, and proposed Gas Tariff No. 7, Sheet Nos. 102 and 102.1. Your filing of a revised copy of the customer notice should include the dates upon which the first newspaper publication will be made, in each newspaper in which you give notice, to show compliance with the seven-day requirement set for in 807 KAR 5001, Section 10(4)(c)3.

The Commission further stated that LG&E's Application in this proceeding would not be deemed filed until LG&E cured the deficiency in its notice.

4. In compliance with the Commission's directive, on August 7, 2008, LG&E delivered to the Kentucky Press Association for publication once a week for three consecutive weeks beginning the week of August 12, 2008 (the earliest possible date for publication in the same newspapers as are publishing the original notice), a supplemental notice of the filing of LG&E's application, which corrects the technical deficiency identified by the Commission in its August 6, 2008 letter.⁴ (The supplemental notice, which complies with all applicable regulations, is attached as Exhibit A to the Certificate of Supplemental Notice being filed with the Commission today.) LG&E will also post the supplemental notice today, August 7, 2008, at the same offices and places of business as it has posted and currently maintains copies of the original notice.

5. LG&E respectfully requests that the Commission deem LG&E's Application to be filed as of August 7, 2008. LG&E will have published its supplemental notice by Thursday, August 14, 2008, in the only newspaper in which the company is legally required to publish

⁴ A copy of the supplemental notice is attached to LG&E's Certificate of Supplemental Notice, filed with the Commission on August 7, 2008. Also attached to the Certificate of Supplemental Notice is a list of newspapers of general circulation throughout the Commonwealth of Kentucky in which customers affected reside and in which will be published the supplemental notice. A certificate of completed publication of said supplemental notice will be furnished to the Commission upon completion of same pursuant to 807 KAR 5:001, Section 10(4)(d).

notice under KRS 424.120, the *Louisville Courier-Journal*, within seven days of August 7, 2008.
LG&E will, therefore, have complied with 807 KAR 5:001 § 10(4)(c)(3) as of August 7.

WHEREFORE, Louisville Gas and Electric Company respectfully requests that the Commission accept its Application as filed for all purposes as of August 7, 2008.

Dated: August 7, 2008

Respectfully submitted,

EXHIBIT A

NOTICE

On July 29, 2008, Louisville Gas and Electric Company ("LG&E") filed an Application with the Public Service Commission seeking approval to adjust its electric and gas rates effective September 1, 2008. Public Notice of this filing was published in all of LG&E's service territory. LG&E's proposed revisions to its Customer Deposits, however, were not included in the published Notice.

Please take notice that with this filing, LG&E is proposing to increase its required Customer Deposits, , from the current amount of \$120.00 for residential electric customers to \$150.00 (25% increase), and from the current amount of \$120.00 for residential gas customers to \$200.00 (66.67% increase) where applicable. The Customer Deposit for combined gas and electric residential service, if required, would increase from the current \$240.00 to \$350.00 (45.83% increase). Currently, all non-residential gas and electric customers are required to pay a deposit based upon actual usage for the most recent 12-month period, if such information is available. If usage information is not available, the deposit is based on the average bills of similar customers and premises, not to exceed 2/12 of the customer's actual or estimated annual bill. LG&E is proposing a fixed Customer Deposit amount for its electric General Service customers only in the amount of \$220.00, with the Customer Deposit for all other non-residential electric and all non-residential gas customers being not more than 2/12 of the customer's actual or estimated annual bill.

The Customer Deposits contained in this notice are the Customer Deposits proposed by Louisville Gas and Electric Company; however, the Public Service Commission may order Customer Deposits to be used that differ from these proposed Customer Deposits. Such action may result in Customer Deposits for customers other than the Customer Deposits contained in this notice.

Notice is further given that any corporation, association, body politic or person with a substantial interest in the matter may request leave to intervene by motion within thirty (30) days after notice of the proposed rate changes is given. The motion shall be submitted to the Public Service Commission, 211 Sower Boulevard, P. O. Box 615, Frankfort, Kentucky 40601, and shall set forth the grounds for the request, including the status and interest of the party. Intervention may be granted beyond the thirty (30) day period for good cause shown. Any person who has been granted intervention may obtain copies of the application and any other filings made by the utility by contacting Lonnie E. Bellar, Vice President – State Regulation and Rates, Louisville Gas and Electric Company, 220 West Main Street, Louisville, Kentucky, 502-627-4830.
