Re: Atmos Energy Corporation - Petition for Confidentiality received 8/29/08
PSC Reference – 2008-00362

Dear Mr. Hutchinson:

The Public Service Commission has received Atmos Energy Corporation's Petition for confidential treatment requesting to protect as confidential certain information contained in its Gas Cost Adjustment filing for quarter beginning October 1, 2008 through October 31, 2008. This information is described as pertaining to Atmos' projected gas prices contained in its "WACOG" schedule in support of Exhibit C, page 14.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, Atmos Energy Corporation is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo
Executive Director
