

# **Kentucky Rural Water Association**

Helping water and wastewater utilities help themselves

Case No: 2008 00377

September 9, 2008

RECEIVED

SEP 1 0 2008

Ms. Stephanie Stumbo, Executive Director

Public Service Commission

P. O. Box 615

Frankfort, KY 40602-0615

Dear Ms. Stumbo:

Kentucky Rural Water Association will host three (3) regional meetings during the month of October, 2008. We respectfully request that this training be approved for commissioners as referenced in HB-75, KRS 74.020.

Please find enclosed a training summary for these meetings which includes a timed agenda, a description of the sessions, and speaker biographies. Approval of two (2) hours of continuing education credit has been submitted to the Kentucky Board of Certification of Water Treatment and Distribution System Operators. A copy of that correspondence is also enclosed.

With this letter and enclosures, Kentucky Rural Water Association is requesting the approval of two (2) hours per session for commissioner and board member training. If additional information is needed, please do not hesitate to call.

Sincerely,

Janet Cole

**Education Coordinator** 

Janet Cole, PK

#### Kentucky Rural Water Association - Regional Meetings—October, 2008

Course Title:

Northeast Regional Meeting

Location:

Ponderosa Steakhouse, Morehead KY

Date:

October 14, 2008

Course Title:

Green River Regional Meeting

Location:

Lewisport Volunteer Fire Department, Lewisport KY

Date:

October 16, 2008

#### Learning Objectives:

The objective will be to show operators, managers, and decision makers what is required for utilities to meet the requirements of the Fair and Accurate Transactions Act (Red Flag Rules).

#### Criteria for Training Credits:

Following a meal, the training portion of the meeting will be conducted from 6:30 PM until 8:30 PM. Operators will be granted credit for actual time attending or participating in the training sessions. The maximum number of training credit hours for this meeting will be two (2) hours.

#### **Training Summary**

Session 1:

Fair and Accurate Transactions Act (Red Flag Rules)

Presenter:

Randall Kelley, Kentucky Rural Water Association

All utilities will have to comply with the new Fair and Accurate Transactions Act (otherwise known as the Red Flag Rules) by November 1<sup>st</sup>, 2008. This session will provide two (2) hours of training focusing on the Fair and Accurate Transactions Act (FACTA) and how they apply to utilities. Topics discussed will include:

- 1: Who is covered by FACTA?
- 2: What is required?
- 3: What needs to be implemented?
- 4. Inforcement of the new rules.

### Kentucky Rural Water Association - Regional Meetings—October, 2008

Course Title: Western Regional Meeting

Location: Ponderosa Steakhouse, DraffenvilleKY

Date: October 23, 2008

#### Learning Objectives:

The objective will be to show operators, managers, and decision makers what is required for utilities to meet the requirements of the Fair and Accurate Transactions Act (Red Flag Rules). In addition, training will be conducted on trenching and shoring safety.

#### Criteria for Training Credits:

Following a meal, the training portion of the meeting will be conducted from 6:30 PM until 8:30 PM. Operators will be granted credit for actual time attending or participating in the training sessions. The maximum number of training credit hours for this meeting will be two (2) hours.

#### **Training Summary**

6:30-7:30

Session 1: Fair and Accurate Transactions Act (Red Flag Rules)
Presenter: Randall Kelley, Kentucky Rural Water Association

All millions will be a december that the many Police of A comment of the state of t

All utilities will have to comply with the new Fair and Accurate Transactions Act (otherwise known as the Red Flag Rules) by November 1<sup>st</sup>, 2008. This session will provide two (2) hours of training focusing on the Fair and Accurate Transactions Act (FACTA) and how they apply to utilities. Topics discussed will include:

- 1: Who is covered by FACTA?
- 2: What is required?
- 3: What needs to be implemented?
- 4: Inforcement of the new rules.

7:30-8:30

Session 2: Trenching and Shoring Safety

Presenter: Layman Hawkins, Kentucky League of Cities

Water utility operators frequently have to be working in or trenches exposing them to risks associated with cave-ins and collapses. Proper safety and shoring techniques can help reduce the risks associated with working in trenches. Topics discussed will include

- 1. Trench shoring
- 2. Safety while in a trench
- 3. Safety near a trench
- 4. Trench rescue or recovery?

## Layman L. Hawkins

Loss Control Specialist

Kentucky League of Cities 101 East Vine Street, Suite 600 Lexington, Kentucky 40507-3700 (W) 859-977-3700 (C) 270-316-0057 (H) 270-264-1410 Ihawkins@klc.org

#### PROFESSIONAL EXPERIENCE:

Layman has over 30 years of experience in the safety, health, fire prevention, and emergency management field. His experience includes Loss Control Specialist for Kentucky League of Cities, Safety & Health Supervisor for Owensboro Municipal Utilities, and Safety Coordinator for a multi-plant industrial manufacturing facility.

Layman holds dual AS degrees from Western Kentucky University in Occupation Safety and Fire Technology. He has completed many hours of practical training and active service in all aspects of safety, environmental protection, industrial hygiene, hazardous materials, waste management, fire service activities, and emergency services and preparedness.

Layman is a Certified Utility Safety Administrator (CUSA), a certified Audiometric Technician. He is a past-president of the Kentucky Safety and Health Network, Inc. as well as a past-president of the Audubon Chapter of the American Society of Safety Engineers (ASSE). He is currently Co-Chair of the Daviess County Local Emergency Planning Committee (LEPC), Co-Chair of the Indiana-Kentucky-Illinois Utility Safety Exchange and manager of the Ohio Valley Industrial Safety Association (OVISA).

As a former EMT and Kentucky Fire Service Field Instructor/Trainer, Layman has been involved with all phases of emergency services most of his adult life.

### **Biography**

# Randall Kelley Kentucky Rural Water Association

Randall Kelley has been with Kentucky Rural Water Association (KRWA) since January, 2006. His first position with the Association was as a Wastewater Circuit Rider. He has recently taken over the position as Training Specialist where he organizes training sessions for water operators and provides onsite training for utilities.

Prior to joining KRWA, Randall worked for the University of Louisville at the Center for Watershed Research as a Research Biologist. He participated in numerous projects on small headwater streams, stream restorations, Tri-halomethane formation in natural waters, and numerous other projects. Randall's experience also includes working for a contractor to the USEPA in Cincinnati, Ohio as an aquatic macroinvertebrate taxonomist.

Randall received a B.S. in both Biology and Environmental Science from Western Kentucky University and an M.S. in Biology from the University of Louisville.
