Re: Louisville Gas and Electric Company  
Petition for Confidential Protection received 7/6/10  
PSC Reference #: 2010-00205

Dear Sir/Madam:

The Public Service Commission has received the Petition for Confidential Protection you filed on July 6, 2010 on behalf of Louisville Gas and Electric Company ("LG&E") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as being contained in LG&E's Response to Commission Data Request No. 4. The information is more particularly described as earnings projections in relation to information presented to investment bankers during the proposed acquisition of Kentucky Utilities Company and Louisville Gas & Electric Company by PPL.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would compromise LG&E's competitive position in the industry, which would result in an unfair commercial advantage to its competitors.

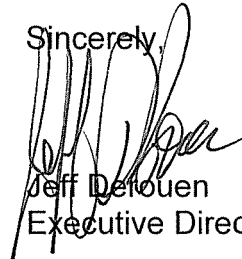

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair

commercial advantage to LG&E's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Louisville Gas and Electric Company is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff DeLouen  
Executive Director
