Re: Case No. 2010-00349  
Delaplain Disposal Company

**VIA TELEPHONE FACSIMILE**

Dear Mr. Ray:

This letter confirms the request of Delaplain Disposal Company ("Delaplain") to amend the description of our telephone conversation of June 6, 2011 as set forth in my letter of the same date.

Delaplain requests that the description be revised to read as follows:

During our telephone conversation, I sought clarification regarding Delaplain Disposal Company's response to the Commission's Order of May 11, 2011. I stated that this response could be interpreted as a waiver of a formal hearing upon the condition that the Commission accept Delaplain Disposal Company's position on four specific adjustments. You responded that Delaplain Disposal Company had conditionally waived its right to a formal hearing provided that the Commission would carefully consider and expressly address in its final order the issues and objections raised in Delaplain Disposal Company's response to the Commission Staff report.

I respectfully request that Delaplain confirm in writing its agreement that the above-description accurately reflects the telephone conversation of June 6, 2011.

Sincerely,

Gerald E. Wuetcher  
Executive Advisor
