RE: Case No. 2010-00358

On December 31, 2010 I discovered a leak in one of my underground water pipes. This leak was repaired on January 4, 2011. It is my belief that this recently discovered leak could possibly be the source of my high water usage during the February-March 2010 time period. Therefore I request that my complaint be withdrawn.

Thank you,

William D Christopher
