RE: Request for Additional Information

New Cingular Wireless PCS, LLC hereby provides the additional information requested by the Kentucky Public Service Commission in its letter dated October 7, 2010. The Commission will find each of its five(5) questions copied below with corresponding responses immediately following in underline format.

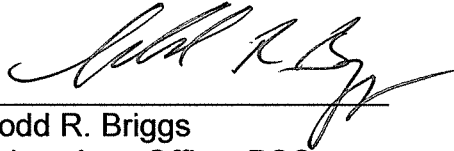

1. State whether the proposed tower will be situated inside or outside the city limits of the City of Greensburg. The proposed tower is outside the city limits of Greensburg.
2. If proposed tower will be situated within the limits of the City of Greensburg, state if the city currently has a local planning commission. Not applicable. The City of Greensburg does have a local planning commission, but the proposed tower is not within the city limits of Greensburg as indicated in response to Question 1.
3. If the proposed tower will be situated outside the limits of the City of Greensburg, state if Green County currently has a local planning commission. Green County does not currently have a local planning commission.
4. Are there any joint or independent planning commissions within Green County? If so, provide the names of those commissions. As indicated in response to Question 2, the City of Greensburg has a planning commission. Thus, there is

an independent planning commission within Green County, but the proposed tower is not located within the city limits of Greensburg.

5. Provide the names and telephone numbers of any government officials for the City of Greensburg or for Green County who provided assistance to New Cingular in determining the existence (or non-existence) of any local planning commissions. Office of the Green County Judge Executive, Mary Ann Blaydes Baron 270-932-4024.

Please feel free to contact me if you require additional information.
