RE: Investigation into the Intrastate Switched Access Rates of All Local Exchange Carriers  
Kentucky Incumbent and Competitive, Administrative Case No. 2010-00398

Dear Mr. Derouen:

Pursuant to the Procedural Schedule paragraph in the Kentucky Public Service Commission's ("Commission") November 5, 2010 *Order*, in the above referenced matter,<sup>1</sup> Trans National Communications International, Inc. ("TNCI"), by its regulatory consultants, hereby advises the Commission as follows.

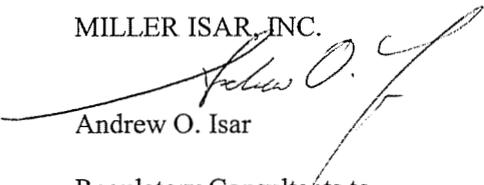

The *Order's* Procedural Schedule paragraph, in pertinent part, directs competitive local exchange carriers, "to file their current intrastate access rate tariffs into the record of this proceeding." TNCI's Kentucky switched access tariff, P.S.C. KY No. 3, is already on file with the Commission, as verified via the Commission's tariff web site. TNCI incorporates its existing switched access tariff, P.S.C. KY No. 3, as is a matter of record with the Commission, herein by reference, accordingly.

Please acknowledge receipt of this filing by date-stamping and returning the additional copy of this transmittal letter in the self-addressed, postage-paid envelope provided for this purpose.

Questions regarding this filing may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
