Executive Director
Public Service Commission
211 Sower Boulevard
Frankfort, KY 40602-0615

Dear Mr. Derouen:

We are writing this letter to voice a strong objection, and ask that you review the attached notice from Hillridge Facilities, Inc. We feel the increase requested is out of line and unjustified and would be a burden on those of us on a fixed income. It is our opinion they are attempting to repair and/or update the sewer facilities at the expense of the residents.

In closing I would like to pose this question: Is it standard operating procedure to request an 81.1% increase from customers for Hillridge Facilities' previously neglected upkeep?

Thank you for your consideration in this matter.

Sincerely,

John & Sharon Boardman
