Dear Mr. Derouen:

This letter is in regard to the proposed rate increase of 81% to the residents of the Hillridge Subdivision, by Hillridge Facilities. Case NO. 2010-00426.

As a resident of Hillridge subdivision, I wish to exercise my right to intervene.

This rate increase is unwarranted. It is not the responsibility of the residents to pay for the neglectful care this system has had for years. Hillridge Facilities, Inc. has been given the opportunity to be purchased by MSD, but negotiations were never completed. As residents we also have to put up with the stench of the plant, which places an imposition on our families.

I am already paying over the top for sewage disposal as it is twice as much as the water consumption use in this household. Many calls have been place to Hillridge Facilities over the year to regarding this. Always with the promise of a call back, which has never happened.

Please take careful consideration in reviewing this matter.

Sincerely,

Pamela Atkinson
