NOV 19 2010

PUBLIC SERVICE
COMMISSION

RE: Case #2010-00426
Hillridge Facilities request for sewer rate increase

Dear Sir:

On November 1, customers of Hillridge Facilities received notice of a proposed sewer rate increase. Enclosed is a petition from Hillridge Subdivision in which residents have collected signatures protesting the exorbitant proposed increase. There are 128 households represented by the signatures on the petition, and there is still a petition circulating. (This is quite a large number when you consider how difficult it is these days to find people at home at any given time.) Many of the residents have written letters to your office.

On Nov. 6 I also wrote to your office. Perhaps I did not state properly that I wish to make a motion to intervene. If my prior letter did not make that clear, please consider this letter as a request for intervention.

Thank you for your attention to this matter.

Mary Jo Ridenour
8909 LaCosta Rd.
Louisville ,KY 40299

James L. Ridenour

Encl: Notice of proposed sewer rate increase from Hillridge Facilities
Petition signed by customers of Hillridge *Facilities.*

Copies of this letter to:
Josh Nacey, Kentucky Division of Water
Councilman Stuart Benson , Metro Louisville City Council
Attorney General Jack Conway, Office of Rate Intervention
Bud Schardein, Executive Director of MSD

NOTICE

Hillridge Facilities, Inc. has filed an application with the Public Service Commission proposing to increase its monthly sewer rate from \$24.13 to \$32.50, an increase of 34.7%. Hillridge believes it could justify a rate increase of 55.6% based upon its operating costs, but has requested the much lower increase to reduce the burden upon its customers. Hillridge is also proposing to begin charging a surcharge of \$11.19 per month for 36 months to pay for sewer line repairs and replacements mandated by the Kentucky Division of Water. The proposed effective date of the change is November 29, 2010.

Monthly Rate:

<u>Current</u> Flat Rate	\$24.13	<u>Proposed</u> Flat Rate	\$32.50
Surcharge	\$ 0.00	Surcharge	\$11.19
<u>MONTHLY</u> <u>USAGE</u>	<u>MONTHLY BILL AT</u> <u>CURRENT RATE</u>	<u>MONTHLY BILL AT</u> <u>PROPOSED RATE</u>	<u>PERCENT</u> <u>INCREASE</u>
ALL USAGE	\$24.13	\$32.50	34.7%
SURCHARGE	\$ 0.00	\$11.19	N/A
TOTAL BILL	\$24.13	\$43.69	81.1%

The rates contained in this notice are the rates proposed by Hillridge Facilities, Inc.. However, the Public Service Commission may order rates to be charged that are higher or lower than the rates proposed in this notice.

Any corporation, association, body politic, or person may request leave to intervene, by motion within thirty (30) days after notice of the proposed rate change is given. A motion to intervene shall be in writing, shall be submitted to the Executive Director, Public Service Commission, 211 Sower Boulevard, Post Office Box 615, Frankfort, KY 40602, and shall set forth the grounds for the motion, including the status and interest of the party movant. Copies of the application may be obtained at no charge from the utility office at Hillridge Facilities, Inc., 17825 Bradbe Road, Fisherville, KY 40023. Upon request from an intervenor, the utility shall furnish to the intervenor a copy of the application and supporting documents.

Hillridge Facilities, Inc.

We, the undersigned residents of Hillridge Subdivision, want to voice our opinion that the proposed increase submitted by Hillridge Facilities, Inc, is excessive. Between the monthly increase of \$8.37 and the requested surcharge of \$11.19, they are requesting an increase of approximately 81%. We are all aware the price of goods and supplies has increased, but this request is ludicrous. LG&E requested and was granted an increase in January 2010 of 12.1%. LWC's proposed increase in their 2010 budget meeting was 4.5 to 5.5%. MSD had a rate increase this year of 6.5%.

As recently as 2008/09 MSD has tried to purchase the facility. The following is an excerpt from Wave 3 internet post dated November 12, 2008. <http://www.wave3.com/story/9340895/neighborhood-continues-fight-to-have-msd-take-over-sewage-treatment-plant?redirected=true>

WAVE 3 asked Brian Bingham, Regulatory Services Director with MSD, just what the hold up is. "It has always been a priority but there haven't been any active negotiations in recent times," Bingham said. Bingham added that there have been ongoing negotiations to buy out the plant, but they have always broken down over its price tag. "They are a for-profit company and I would assume they do make a profit on it," says Bingham.

A reasonable rate increase may be necessary. This request is beyond the realm of reason. If the owners of this for profit company cannot efficiently run the company at the current rates or a reasonable increase, they should finally sell it to MSD. *We request a hearing on the proposed sewer rate increase.*

NOTICE

Hillridge Facilities, Inc. has filed an application with the Public Service Commission proposing to increase its monthly sewer rate from \$24.13 to \$32.50, an increase of 34.7%. Hillridge believes it could justify a rate increase of 55.6% based upon its operating costs, but has requested the much lower increase to reduce the burden upon its customers. Hillridge is also proposing to begin charging a surcharge of \$11.19 per month for 36 months to pay for sewer line repairs and replacements mandated by the Kentucky Division of Water. The proposed effective date of the change is November 29, 2010.

Monthly Rate:

<u>Current</u>		<u>Proposed</u>	
Flat Rate	\$24.13	Flat Rate	\$32.50
Surcharge	\$ 0.00	Surcharge	\$11.19
<u>MONTHLY USAGE</u>	<u>MONTHLY BILL AT CURRENT RATE</u>	<u>MONTHLY BILL AT PROPOSED RATE</u>	<u>PERCENT INCREASE</u>
ALL USAGE	\$24.13	\$32.50	34.7%
SURCHARGE	\$ 0.00	\$11.19	N/A
TOTAL BILL	\$24.13	\$43.69	81.1%

The rates contained in this notice are the rates proposed by Hillridge Facilities, Inc.. However, the Public Service Commission may order rates to be charged that are higher or lower than the rates proposed in this notice.

Any corporation, association, body politic, or person may request leave to intervene, by motion within thirty (30) days after notice of the proposed rate change is given. A motion to intervene shall be in writing, shall be submitted to the Executive Director, Public Service Commission, 211 Sower Boulevard, Post Office Box 615, Frankfort, KY 40602, and shall set forth the grounds for the motion, including the status and interest of the party movant. Copies of the application may be obtained at no charge from the utility office at Hillridge Facilities, Inc., 17825 Bradbe Road, Fisherville, KY 40023. Upon request from an intervenor, the utility shall furnish to the intervenor a copy of the application and supporting documents.

Hillridge Facilities, Inc.
