Executive Director
Public Service Commission

Frankfort, Ky. 40602-0615

Dear Sir:

We live at 4107 San Marcos Rd., Louisville, Ky. 40299. This address is located in Hillridge Subdivision. We received a notice (copy included) that Hillridge Facilities, Inc. has filed an application with the Public Service Commission asking for a sewer rate increase. We strongly disagree with the need for this increase. All these years, Hillridge Facilities has been collecting these sewage fees, yet not repairing and keeping the sewage system station updated. Now they want a rate increase to upgrade and modernize the facility so they can sell it or merge with another system. If there had been timely and consistent repairs made all along, we would not be in this situation.

I hope you will take a hard look at this rate increase and hopefully deny it, or at least cut the increase drastically.

Thank you for your time and consideration

Sincerely,

JOSEPH M. JARBOE

FRANCES E. JARBOE
