Case: Hillridge 2010-00426

COMMENTS: Why the significant increase?

- 1) Exactly what operating costs increased; by how much & why?
- 2) How long has Hillridge Facilities (current owner) owned the Company?
- 3) Is the increase based on current operating costs or projected future costs / how far into the future?
- 4) What are you doing to control costs other than ask for a rate increase?
- 5) Do you provide financial statements showing historical / current / projected financial analysis for study / review.
