Re: Oldham Woods Sanitation Inc. 2010 Rate Case Filing

Dear Sirs:

Attached please find an original and 10 copies of Oldham Woods Sanitation Inc.'s Alternative Rate Filing, including a customer notice which was mailed today. In addition, please incorporate by reference in this case Oldham Woods' annual reports on file with the PSC.

Oldham Woods is proposing that the new rates become effective on December 20, 2010, and has provided a proposed tariff to that effect after Attachment A of this filing. In addition, Oldham Woods has attempted to the best of its ability to fully comply with the Commission's ARF filing requirements. However, please consider this a request for waiver of any filing requirements which we may have inadvertently overlooked, on the grounds that all relevant information has been provided to allow the processing of this case to begin.

Finally, please be aware that I have great difficulty operating this utility and need whatever assistance the PSC can provide to expedite this case and make the review process as easy as possible. Oldham Woods has never had a rate increase since the initial rate was set at \$20, and I inherited this system several years ago and struggle to pay the bills. In addition, I have limited ability to access copying and mailing facilities, so it is vitally important to me that PSC Staff assist me in the processing of this case.

Sincerely,

Georgann Martin, President
