CONTRACT FOR SEWAGE TREATMENT PLANT OPERATION

1. Plant owner or responsible party: Oldham Woods Sanitation Inc.

2. Location: Oldham Woods Subdivision WWTP
Dogwood Crossing
LaGrange, KY

3. Plant Type: Aerated Sewage Lagoon System

4. Fee: \$350.00 / month

5. Fees to be paid in advance on the first day of each month.

6. Period of Contract: June 1, 2006 - May 31, 2007

7. In the event any portion of this contract is not fulfilled by the plant owner, a 30-day notice will be given to the owner by the Service Company. After this time, this contract becomes null and void, and all fees paid to date become the property of the Service Company.

8. It is the general intention of this contract for the Service Company to provide the labor and supervision for the normal operation and maintenance of the above mentioned system.

9. Items specifically included will be as follows:
 - A. Frequency of inspection will be 3 times per week.

 - B. Major repairs will be charged at the rate of \$40.00 per man hour and \$.38 per mile traveled.

10. The owner will provide all utilities, parts, chemicals, and materials for operating and maintaining the said system.
11. Other items not specifically included that are owners responsibility:
 - A. Extra labor required or called for by plant overload, major equipment repairs, general painting of buildings and equipment, piping, flooding, windstorms etc.
 - B. Sludge Hauling: Owner to provide and pay for hauling excess sludge when required.
12. Access Road: The owner is to maintain a reasonable access road to the plant site.
13. The Service Company will provide its own workers compensation and liability insurance.
14. The Service Company will not be liable for vandalism, or breaking and entering the said property.
15. Any unauthorized persons or equipment on said location without the permission of the Service Company, will not be the liability of the Service Company.
16. If at any time during this contract, the plant becomes overloaded due to extra connections, stronger than normal sewage, commercial or industrial waste being added requiring more than normal operator attention, the Service Company reserves the right to negotiate with the owner for proper compensation.
17. The owner should provide protection to all exposed piping to prevent freezing and hampering operational procedure during winter months.
18. The Service Company is not liable for damage due to ice and freezing only to the extent where negligence is indicated.
19. Purchase for parts, chemicals, materials and services in excess of \$150.00 will be approved by the plant owner prior to purchase and invoiced directly to the owner.

(3)

20. The Service Company is not to be held liable for objections to sewage system noises, odors, effluent, frothing or other peculiarities inherent to such a system only to the extent of cancellation of this contract.
