Dear Mr. Derouen,

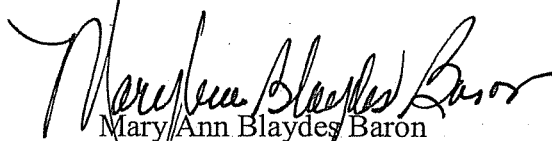

I spoke with Jeb Pinney today, October 10, 2010, in reference to two water board appointments that should have been reappointed by July 1, 2010. Joyce Ward and Harry Kessler have served on the Green-Taylor Water Board as Commissioners since July 1, 2002. These are four year appointments.

Ms. Ward and Mr. Kessler have received water personnel training through the Public Service Commission (PSC) and the Kentucky Rural Water Association (KRWA). They were certified by the PSC and KRWA in 2008. They reside in the county in which the Water District is located. The Green County Fiscal Court did not realize they should have been reappointed by July 1, 2010. The 90 day period has elapsed and we are requesting the PSC to appoint Joyce Ward and Harry Kessler to the Green-Taylor Water Board with their term ending June 30, 2014.

I would greatly appreciate a favorable response.

If you have any questions, I can be reached at 270-932-4024.

Sincerely,

Mary Ann Blaydes Baron
Green County Judge/Executive
